Dear Parnassus Families,

Thank you for selecting Parnassus Preparatory School as your school of choice. In our sixth year as a public classical charter school, we are proud to reflect on how much we have grown and accomplished. We look forward to the exciting growth and changes that the future will bring, especially as we look forward to our upcoming facility expansion.

You have chosen Parnassus for our focus on a strong classical, Trivium-based education that prepares young people to be lifelong learners and engaged citizens. Thank you for making that choice! Parnassus Preparatory School provides an excellent education in a strong and safe community setting and is tuition-free. Public state and federal funds are what fuel our program and allow us to provide a great classical, liberal arts education for students; however, like all schools, public or private, fundraising will help us enhance our program by providing a facility that supports the classical model. Our new expansion will include additional space for science, music, art, and drama, Harkness-style seminar discussions, oratorical presentations, special education, physical education, and more. **This is why we offer an Annual Giving Campaign.** Giving is completely voluntary and non-obligatory. What is most important is that every level of support is valued and appreciated. Every penny of your contribution goes directly toward improving your child's education.

Since we opened our doors in August of 2011, we have worked hard to build our academic program, and are excited to create a facility that will support our school's mission and enhance our program offerings.

We invite you all to celebrate with us as we begin our 2016 - 2017 Annual Fund Campaign at our autumn festival, **The *Autumnus Tribuisti* Annual Fund Campaign Kickoff** on **Friday, October 7th**, from **6:00 to 7:30pm** at Parnassus. Students, families, and friends are all welcome to come and enjoy an evening of family friendly fun and games and learn more about how you can support the school.

We greatly appreciate your support! Every donation helps us to reach our goal. Thank you for, again, for choosing Parnassus Preparatory School for your family.

Sincerely,

Mrs. Ford
Executive Director, Parnassus Preparatory School

The mission of Parnassus Preparatory School is to provide students with a K-12 classical education grounded in the classical Trivium that demands their best in intellectual achievement and character development.
