

SOL Science Bowl

2018-2019

Who: 2L-4L Scholars

Where: Room 1503

When: Fridays, 3:45 – 4:45pm

Dates: October 26th – February 8th

Coach: Ms. Vemuri

Fee: \$75.00, Payable to *Parnassus*

Deadline: Friday, October 12th

Teams of up to five School of Logic scholars will compete in a bee style competition at St. Thomas University on Saturday, February 2nd to achieve science glory! Starting in October, they will begin their practice across a wide field of scientific endeavors in order to bring home the *Au*. Competition will run with a buzzer system against teams from other schools in one large state meet.

SAMPLE QUESTIONS

1. Which of the following celestial objects has the closest chemical makeup to the planet Jupiter?
 - a. The Sun
 - b. The planet Earth
 - c. The planet Mercury
 - d. A Kuiper-belt comet
2. *Short Answer* How many grams are in 10 moles of water if the atomic mass of oxygen is 16 and hydrogen is 1?

LATE PICK UP

Please note that Animus/Accendo: After School Care Program is not included with this activity. Therefore, scholars must be picked up from the Animus/Accendo doors **promptly at 4:45PM**. Scholars that are picked up late will be charged the drop in fee of \$28. If you know you will need after care please contact Ms. Ambriz (Ambriz@parnassusprep.com).

If you are interested in SOL Science Bowl please fill out the activity and insurance waiver on the back and the National Science Bowl registration forms and return both with payment to the main office **before October 12th**.
