Join the Parnassus Nordic Ski Club! Some logistics, like practice times after school, are still being worked out. Practices will be after school 1 or 2 days per week depending on availability. We will update families as more information becomes available.

Registration includes a **season pass** for Nordic skiing at any of the Three Rivers Park District locations, so students can practice on their own on days when we do not hold club practices.

Scholars will need to provide their own equipment in order to participate. More information on equipment rental or buying used/new equipment to follow.

An activity bus will pick students up at Parnassus and bring them to the park. Parents/Guardians are responsible for pick-up at the park.

To register, please fill out the activity registration waiver. It can be e-mailed to Mr. Mangold, or dropped off in the SOL/SOR office.
