

AMC 10/12 Exam

Wednesday, November 10th

Who: 1R-4R Scholars

Fee: \$10.00, Payable to *Parnassus*

Deadline: Wednesday, September 22nd

The Mathematical Association of America's AMC 10 and AMC 12 competitions are 25-question, 75-minute, multiple choice mathematics exams designed to enhance essential problem-solving skills. The AMC 10/12 provides an opportunity for School of Rhetoric scholars to develop positive attitudes towards analytical thinking and mathematics that can assist in future careers. The AMC 10/12 is the first in a series of competitions that eventually lead all the way up to the International Mathematical Olympiad.

The AMC 10 covers the School of Rhetoric math curriculum through 2R. Students in 2R or below can take the AMC 10.

The AMC 12 covers the entire School of Rhetoric math curriculum including trigonometry, advanced algebra, and advanced geometry, but excludes calculus. Scholars in 4R and below can take the AMC 12.

If you would like to take the AMC 10 or AMC 12 exam, please fill out the below information and return this form to the main office by Wednesday, September 22nd with \$10. The exam will be held on Wednesday, November 10th during Reading Period.

Name _____

Grade _____
