World Cup Soccer Camp is a fun filled introduction to soccer for young players in **grades 1G-4G**. This development program will take players on a journey through many exciting, high energy soccer activities. The players will be instructed in many different areas of the game including dribbling, passing, ball control, shooting, speed, and agility. Players will also participate in fun small sided 3v3 to 6v6 games. All players will be expected to use their imagination and be creative, which are important aspects of the game for young soccer players today. Participants will gain more confidence as the program progresses. We hope to enhance each player's passion and desire for the game!

Coaching Staff: Soccer sessions will be led by Gordon Ferguson (Fergie), who is an all-around soccer professional. Working with soccer players is his passion and you will see how much energy he has with the players on the first day. Along with Coach Fergie, the coaching team is based in Minnesota and play soccer in college or high school. They are ready to coach players this winter to advance their skills while creating a positive environment for them to learn "The Beautiful Game!"
