Interested in capturing a moment in time through words and images? Do you have an eye for layouts? Can you use creative descriptions to share a story? Use your finesse for photography, way with words, and eye for detail as a member of the Parnassus Publishing Club!

Our task is to preserve the year's memories in the 2023-2024 Parnassus Yearbook! New this year, we will be distributing the 23-24 yearbook during the last week of the school year! In addition, yearbook members will also create a small supplement with spring activities, which will be distributed in the fall of 2024.

Scholars will be exposed to every aspect of the project including brainstorming book designs, photographing events, editing photos, mastering the Lifetouch Yearbook digital program, and writing descriptions, quotes, and short articles about our school. Publishing Club has 10 brand new computers to use this year!

This club will start by meeting approximately twice a month on Mondays with special assignments and additional meetings assigned as necessary as the publication deadline approaches. Please note that Publishing Club members will be expected to serve as press members at events that take place outside of normal school hours, and will need to arrange their own transportation for such events. Being a member of the Publishing Club is a substantial time commitment. Publishing Club members are expected to attend Monday meetings, and additional meetings as needed, particularly as we get closer to the yearbook submission deadline.

Informational Meeting: Monday, August 28th, 3:45-4:15 in Room 1124.

All students interested in joining Publishing Club this year should attend this meeting!
