

SOL Science Bowl

2023-2024

Who: 2L-4L Scholars

Where: Room 1428

When: Thursdays, 3:45-4:45pm

Dates: November 2nd – February 8th

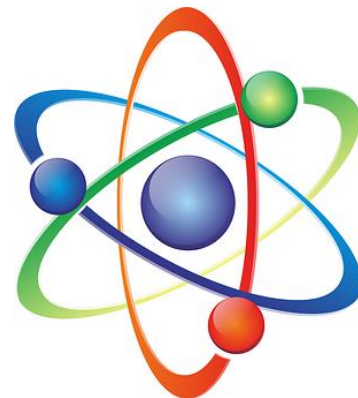

Advisor: Mr. Cord

Fee: \$75, payable to *Parnassus*

Deadline: Monday, October 30th

Teams of up to five School of Logic scholars will compete in a bee style competition to achieve science glory! Scholars will begin practice, focusing on a wide field of scientific endeavors in order to bring home the *Au*. The season will culminate at the Minnesota Regional Science Bowl competition which is typically held in mid-February. The competition uses a buzzer system and is played against teams from other schools across the Twin Cities.

At the time of publication (August 2023), the date for the Minnesota Regional Science Bowl competition has yet to be announced. In past year, it has been held in mid-February. More information will be sent home as soon as it becomes available.

SAMPLE QUESTIONS

- Which of the following celestial objects has the closest chemical makeup to the planet Jupiter?
 - The Sun
 - The planet Earth
 - The planet Mercury
 - A Kuiper-belt comet
- Short Answer* How many grams are in 10 moles of water if the atomic mass of oxygen is 16 and hydrogen is 1?

LATE PICK UP

Please note that Animus/Accendo, the after-school care program is not included with this activity. Therefore, scholars must be picked up **promptly at 4:45PM**. Scholars that are picked up late and placed in the after-care program will be charged a \$32 fee. If you know you will need after care, please email animus@parnassusprep.com.

REGISTER

New in 2023-2024! All Parnassus activity registrations must now be completed online at: <https://parnassus-ar.schooltoday.com/> by a parent/guardian. Registration is not complete until the online registration form and payment have been submitted. Please note first-time registrants will need to create an account in our system.
