

POLICY 503 – ATTENDANCE AND CLOSED CAMPUS

I. PURPOSE

The purpose of this policy is to establish the attendance guidelines for all students at Parnassus Preparatory School (the “School”).

II. GENERAL STATEMENT OF POLICY

It is the responsibility of the School to the community that all stakeholders will work to challenge and support students in the pursuit of their highest levels of academic and intellectual achievement. Regular school attendance is directly related to academic success, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of each student.

The purpose of this policy is to encourage regular school attendance and to establish a clear system for student attendance. Such a system will promote this relationship and hold students accountable for regular attendance. It is essential that Parnassus' students and their families take responsibility for knowing and following the Attendance Policy.

III. GENERAL GUIDELINES FOR ATTENDANCE AND CLOSED CAMPUS

- a. Parnassus will establish guidelines for the number of allowed absences (both excused and unexcused) for each school year and all credit-bearing courses in the Schools of Logic and Rhetoric.
- b. All students, regardless of age, must have absences excused by a parent or guardian if the student lives at home.
- c. Parnassus is a closed campus. As a closed campus, the School has designated open building hours for the regular school day. There may be exceptions for special events and for extracurricular activities, but the open building policy is as follows:
 - i. The school day for all students is 8:00am to 3:30pm.
 - ii. The building is open to all students beginning at 7:45am.
 - iii. Students in the Before School Animus & Accendo programs may enter the building beginning at 7:00am, but must be signed in by a parent or guardian.
 - iv. Students must be picked up by 3:45pm if not in the Animus & Accendo after-school programs or participating in an approved after-school activity. Procedures for students not picked up by 3:45 will be included in the School's Student and Parent/Guardian Handbook.
- d. Schools of Grammar and Logic students and students in the First Level through Third Level Rhetoric (1R-3R) may not leave campus at any time between their arrival at school and when they are dismissed to their mode of transportation, unless they are signed out by a parent, guardian, or authorized individual. Leaving campus will be considered an off-campus violation.
- e. Fourth Level Rhetoric (4R) students may be issued a semester off-campus lunch pass upon the return of a signed permission form. If the student does not remain in good standing, the pass may be revoked. Specifics related to good standing and other procedures for off-campus lunch are listed in the Student Handbook.

IV. RESPONSIBILITIES

1. Student's Responsibility

1. It is the student's right to be in school. It is also the student's responsibility to:

1. Take daily attendance promptly at the start of each school day for the School of Grammar and at the start of each class period for the Schools of Logic and Rhetoric.
2. Change an absence notation to a tardy if a student arrives late to class. After a student is more than seven (7) minutes, if a student is late to class, the tardy will be counted as an unexcused absence.
3. Maintain accurate attendance records in each assigned class and study hall.

5. Provide any student who has been absent with any missed assignments upon their return to school. Teachers are not required to provide homework or assignments in advance of a scheduled absence.
6. In the Schools of Logic and Rhetoric, communicate procedures for tardies to students, parents, and guardians, verbally and in writing at the beginning of each semester.

7. Work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.
4. **Administrator's Responsibility**
It is the responsibility of school administrators and their designees to:
 1. Require students to attend all assigned classes and study halls.
 - A. In accordance with the Minnesota Compulsory Instruction Law, Minnesota Statutes, section 120A.22, the students of the charter school are required to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and charter school standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.
 2. Be familiar with all policies and procedures governing attendance and apply these procedures uniformly to all students.
 3. Maintain accurate records on student attendance, and prepare a list of the previous day's absences stating the status of each.
 4. Ensure that parents, guardians, and students receive timely communication of all absences.
 5. Ensure that parents and guardians receive a phone call after each unexcused student absence.
 6. Communicate and meet with the student when they reach the maximum absence threshold in a course in the School of Logic or Rhetoric.
 7. Inform parents and guardians when a student is dropped from a course and loses credit due to excessive absences.
 8. Inform the student's parents or guardians of the student's attendance and work cooperatively with them and the student to solve attendance problems.

V. ATTENDANCE PROCEDURES

Attendance procedures shall be presented to the Board of Directors for review and approval. When approved by the Board, the attendance procedures will be published in the Parnassus Student and Parent/Guardian Handbook.

A. Excused Absences

- a. To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.

with the appropriate School administrator regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.

6. The School administration will determine the number of detention hours, if any, to be assigned per unexcused absence.

C. Maximum Allowable Absences

- a. A student may not accumulate more than ten excused absences in an academic year. Any absences beyond ten days may be counted as unexcused.
- b. Any combination of excused and unexcused absences exceeding seven (7) days in a semester may result, at the discretion of the Executive Director or designee, in loss of credit for the semester for a School of Rhetoric course, or an equivalent course in the School of Logic that earns graduation credit.
- c. Students who will be absent for a period exceeding 15 days and who wish to remain enrolled at Parnassus must complete a Leave of Absence request as outlined in section VII.

VI. RELIGIOUS OBSERVANCE ACCOMMODATIONS

Reasonable efforts will be made by the School to accommodate any student who wishes to be excused from a curricular activity for a religious observance. Requests for accommodations should be directed to the building principal.

VII. STUDENT LEAVE OF ABSENCE

- A. Occasionally, family circumstances may necessitate that a student be absent from school for a period exceeding fifteen days. This may occur in cases such as a parent or guardian having the opportunity to work or study outside of the state or country for a limited time, for example. To support families in situations that require an extended absence from school, parents or guardians may request a Student Leave of Absence for their children for a specified period and for the students to be re-enrolled at Parnassus upon their return.
- B. Procedure for requesting a Student Leave of Absence:
 - a. To request a leave of absence and qualify for re-enrollment, the parents or guardians of the affected student must request the long-term leave, in writing, from the Executive Director or their designee.
 - b. The request must be presented at least two weeks before the start of the long-term leave, giving the beginning and end dates of the student's leave from Parnassus Preparatory School as well as the reason and documentation for the long-term leave of absence.
 - c. If the leave of absence is approved, the end date on the student's enrollment record will reflect the last day of the student's positive physical attendance at Parnassus.
 - d. The Executive Director or designee has the sole authority to approve or not to approve a request for a student leave of absence. The decision of the Executive Director or designee is final.
- C. Re-Enrollment After a Student Leave of Absence:
 - a. Before a student may be re-enrolled after an approved leave of absence, the parents or guardians of the student will meet with the Executive Director or designee to discuss a re-entry date, schedule, and grade or class placement. This meeting must occur at least one week before the student's re-enrollment start date.
 - b. Once the student returns to Parnassus, the teachers, administration, and family of the student will work together to decide how to best serve the student.
- D. Conditions and Limits on a Student Leave of Absence:
 - a. Students may not miss more than the equivalent of one school year.
 - b. The days on leave must be consecutive.
 - c. Only currently enrolled students are eligible to request a leave of absence.
 - d. The leave of absence is not intended for students with extended consecutive absences due to severe illness or injury, or those students who are temporarily placed in a residential treatment program; those families should instead work with

their child's principal regarding home- bound instruction or instruction in the residential treatment setting.

- e. Parnassus assumes no responsibility for providing work or materials for the student while the student is on a leave of absence from the school.
- f. Long-term leave does not exclude a student from repeating a course or grade level.
- g. Students are not guaranteed the same grade level or classroom placement when returning from a leave of absence.
- h. School of Rhetoric students taking a leave of absence will not be exempted from any graduation requirements.
- i. School of Rhetoric students will not receive credit for any courses that are incomplete or in progress at the start of the leave of absence.
- j. School of Rhetoric students are advised that courses taken at other schools while on the leave of absence may not meet Parnassus' graduation requirements.
