The National Junior Classical League (NJCL) is a local, state, and national organization for students who are taking classical courses. NJCL proudly holds the honor of being one of the largest academic youth organizations in the world. There are over 35,000 members in 1,000 chapters located in almost every state and several foreign countries. Established in 1936, the organization seeks to promote the study of Latin and Greek, to benefit students and teachers alike, and to impart an understanding of the debt of our own culture to that of classical antiquity.

Members of the Parnassus NJCL chapter will have the opportunity to participate in academic, creative, and graphic arts activities. NJCL has its own quiz-bowl style competition called Certamen. Members may also have the opportunity to participate in state and national conventions coordinated by the NJCL.

Informational Meeting: Want to learn more about NJCL? Please come to an informational meeting on Thursday, September 17 from 3:15-3:45pm in Room 1508. We'll be discussing the various activities we do during weekly meetings, including the upcoming Latin League tournament against other schools from across the country!
