Our task is to preserve the year's memories in the 2026-2027 Parnassus Yearbook! We will be distributing the yearbook during the last week of the school year. In addition, yearbook members will also create a small supplement with spring activities, which will be distributed in the fall of 2027.

Scholars will be exposed to every aspect of the project including brainstorming book designs, photographing events, editing photos, mastering the Lifetouch Yearbook digital program, and writing descriptions, quotes, and short articles about our school.

New Publishing Club members will meet every Monday when school is in session. **Returning Publishing Club members** may attend every other week, with the option to attend weekly to work on projects. Special assignments and additional meetings may be assigned as necessary as the publication deadline approaches. Please note that Publishing Club members are expected to serve as press members at events that take place outside of normal school hours and will need to arrange their own transportation for such events. Being a member of the Publishing Club is a substantial time commitment. Publishing Club members are expected to attend all regular Monday meetings, and additional meetings as needed, particularly as we get closer to the yearbook submission deadline in the spring.

Schedule for Returning Members: (New members attend weekly)

September 14 October 5 & 26 November 9 & 23 December 7 & 14	January 4 & 25 February 8 & 22 March 1 & 15	April 5 & 19 May 3 & 17 June 7	Attendance at these meetings is mandatory for lettering. Additional Mondays will be open as optional workdays.
