

Fencing

Session II – Late Fall 2026

Who: 3G-4G Scholars

Where: Palaestra

When: Tuesdays, 3:15-4:30 p.m.

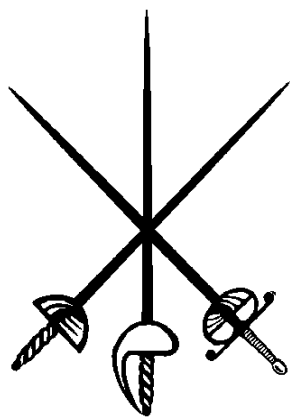

Dates: November 10 – December 15

Advisor: Magister Smith

Fee: \$71, payable to *Parnassus*

Deadline: Friday, November 6

New and returning students are invited! Join this fast-growing Olympic sport taught by Parnassus' own Magister Smith! Magister Smith has a strong competitive background in fencing, coaching last year's Parnassus 3Gs and 4Gs, and previously coaching at a school in Idaho. He also trained for several years with a former Olympic-qualifying fencer.

Students will start with basic fencing skills and learn new moves and concepts each week. They will pair up to practice their newly learned skills and spend the last portion of each class fencing against other athletes at the same skill level.

All fencing equipment will be provided, but we ask that all scholars bring non-scuffing closed-toed shoes, comfortable athletic clothes, and a water bottle to every practice.

Due to high demand in previous sessions, the maximum enrollment for this activity is 10, with a waitlist for additional scholars who may be added based on equipment availability.

LATE PICK UP

Please note that Animus/Accendo, the after-school care program is not included with this activity. Therefore, scholars must be picked up **promptly at 4:30pm**. Scholars that are picked up late and placed in the after-care program will be charged a late fee. If you know you will need after care, please email animus@parnassusprep.com.
